

Smoke-Free Policy

Last Updated: 23rd February 2010

In line with the QLD government regulations & Equestrian QLD policy, NDHD has a "No Smoking Policy" at our events. This policy does NOT allow smoking in or within 4 metres of the stable areas, the arenas, office building and around the canteen and gear steward areas. If you chose to smoke, please do so away from buildings, be respectful of non-smokers and carefully dispose of your extinguished cigarette butts in the bins provided.
