NDHD Club Members are invited to ride in the Bryce Arena and Indoor Arena to practice your tests in an arena with no pressure of a competition environment.

Bring your support person to help you with your young horse being out and about

Ride in the dressage arenas and run through your tests

Have a morning tea with like minded people enjoyed the relaxed morning and take time to ride, socialise and meet new people.

All we ask is that riders arrive to help set up from 8.00am and riding can commence from 9.30am

Arenas are to be shared, not just one person in an arena. Riders can ride around the outside of the arenas as well.

Bring a plate to share for morning tea approx 11am. Tea and Coffee will be available from the office or BYO.

As our official day is the next day we may require 2 -3 arenas to be set up
